ABOUT THE FOUNDATION
The Gardena Police Foundation is a 501(c)3 non-profit corporation that provides supplemental resources directly to the Gardena Police Department and the Gardena community in the form of grant funds to improve public safety operations, provide resources to the public, and enhance youth programs and community outreach.

The organization is governed by a Board of Directors, comprised of leaders from the Gardena business community. The Gardena Police Foundation relies solely on the generous contributions of its Board of Directors and community members, including residents, businesses, and other philanthropic organizations to meet specific grant requests.

The Foundation also has an Annual College Scholarship Program, where each year the Foundation provides three graduating high school seniors each with a $4,000 scholarship. Join the effort to improve public safety in Gardena. Together, we win.
